

Hon. To whom it may concern

I am locked up for something, didn't do
wrongfully convicted of strangulation in the second degree rail roaded by
the D.A. Office to see where and how this felony can fit
This here is a novel case, went from being pistol whipped and beating
to being strangled more than 10 times and the court of appeals
called the trial errors harmless how could leading a witness after
15 page of not knowing to asking do this refresh your memory to when
Mr. Leach strangled you my trial counsel was ineffective and my
appeal counsel was also where he never told me
that, I could have accepted a year plea there no one ever been
found guilty of this charge, would like to know what
can I do to get out of jail for something, didn't do
improper representation by trial counsel and my conviction is unfair and
maybe illegal regarding errors of records in my
trial
